

**RAVELL®**

## TABLE LIFT P-320

**The RAVELL® FURNITURE / TABLE LIFT** for the multimedia projector provides an excellent alternative to ceiling lifts. Enables you to install a multimedia projector in a piece of furniture or the floor.

The unit is very well used by architects in home arrangements and public utilities.

### **APPLIANCE:**

- Dedicated, in STANDARD version to business and home solutions – max range 320 mm
- Max lifting weight: kg (including covering panel)

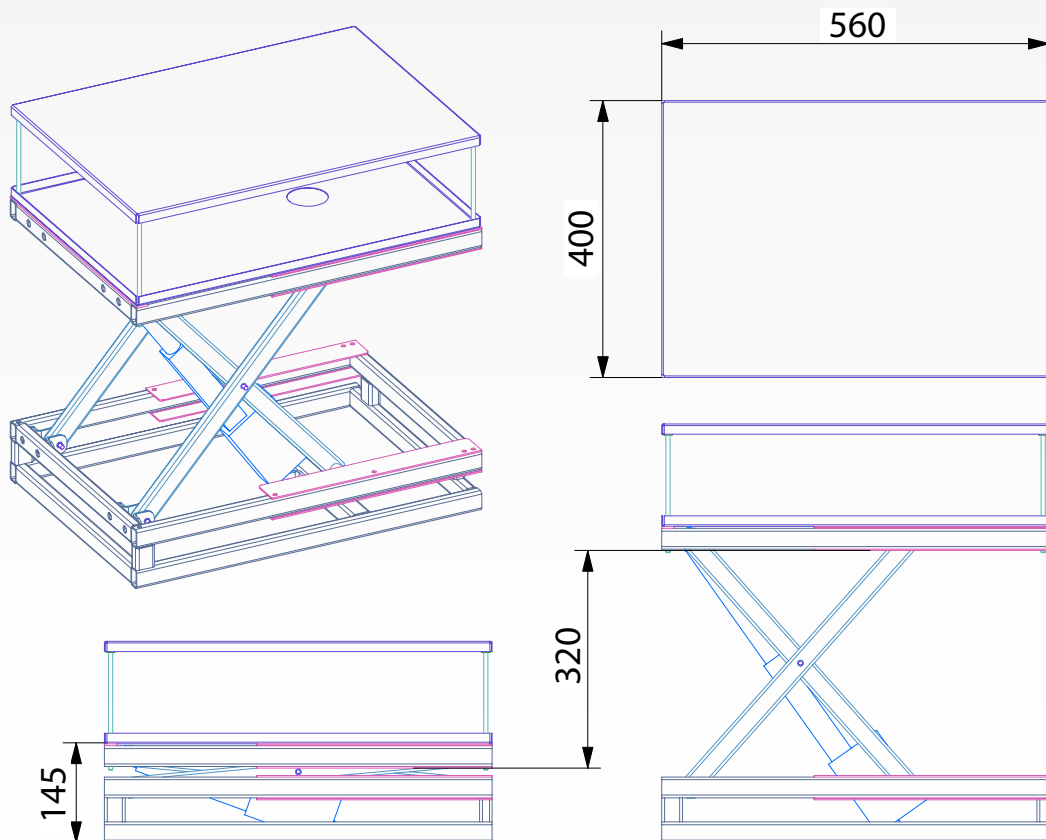

## TABLE LIFT P-320
